Examinations will be in the gymnasium and various rooms. You should aim to be ready at the venue 15 minutes prior to the start time.
Assemble outside the gymnasium and check the noticeboard for room allocations.
The examination sessions are for 3 hours unless otherwise stated. No-one may leave in the first 45 minutes or the last 15 minutes.
School examinations are important. Results may be used to help determine your grade when an examination is missed through illness or injury.
Feedback and reflection will help students learn what to continue working on and what you can do in preparation for the NCEA Externals.
If a student misses an examination for any reason the school office should be contacted as for any regular school absence.
If you are absent, or will be absent, from an examination please let your teacher know so that a suitable alternative time can be found if possible.

Students are expected to be in school uniform for the examinations and when on-site for study at school.
Year 13s may wear their leavers' hoodies.
Y11-13 students are on study leave so can study at home when they don't have scheduled examinations. The expectation is that they spend time revising and preparing.
Study rooms are assigned for Y11-13 students who cannot arrange transport to and from examinations. Buses will operate at their usual times.
